

Specialist Palliative Care Education and Training Programme

2024

For health professionals &
those with an interest in palliative care

Hospice Marlborough

OUR VISION – TO MĀTOU TIROHANGA

Our Marlborough Community has access to specialist palliative care and can live and die with compassion, dignity, in comfort and in peace.

OUR MISSION – TA TĀTOU MĪHANA

We, at Hospice Marlborough, provide specialist palliative care services to our community through a highly skilled team. We are agile as service provider and strive to meet the needs of our community. We will ensure patients and family receive empathetic quality care.

OUR VALUES – O TATOU UARA

We are committed to the following core values in the delivery of hospice palliative care.

Compassion and Respect

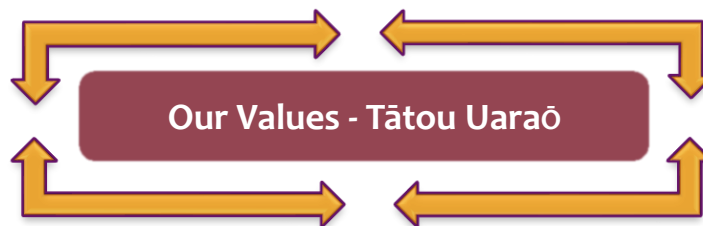

Aroha me te Whakaute

Treating others with care, using humility and fairness in our interactions with others maintaining their dignity, being empathetic and encouraging throughout

Collaboration and Inclusion

Mahi tahi me te Whakauru

Working alongside and with others in the community, valuing individual cultural and diverse differences

Excellence and Professionalism

Te Kairangi me te Ngaiotanga

Acting with integrity and embracing the highest ethical standards whilst being responsible and accountable for all individual and collective actions

Ambition and Innovation

Hao me te auaha

Constantly seeking new ideas and striving for better solutions. Achieving success by working together and valuing each other's skills and contributions

Palliative Care Education Plan 2024

Outline of Courses

Comfort medications and syringe driver training:

Designed for Registered and Enrolled Nurses to update their knowledge of the use of comfort medications and syringe drivers in the management of symptoms in palliative care and at end of life.

Fundamentals
of palliative care

Fundamentals of Palliative Care:

This series of education modules has been specifically developed by Hospice New Zealand for all staff working in the aged residential sector and primary health. This is an introductory level course including a self learning commitment and pre and post module activities.

Palliative Care
Lecture Series

CANCER
RESEARCH
TRUST
New Zealand

Palliative Care Lecture Series:

An opportunity each month to participate in lectures on topical subjects in palliative care via teleconference. These are provided by Hospice New Zealand with funding from the Cancer Research Trust New Zealand [formerly Genesis Oncology Trust]. Visit: the [Hospice NZ Palliative Care Lecture Series](#) to catch up on past lectures you may have missed.
